This bill establishes a 10-member commission to study the child support guidelines adopted by the Supreme Court. The commission would annually report to the Supreme Court and the legislature on its finding. The commission would be under the Legislative Council.

Travel costs for the commissioners would be between \$4,000 and \$7,000 in FY 00 and between \$2,000 and \$3,500 in FY 01 depending on the where the commission members live and the number of meetings. Contractual services would be between \$5,000 and \$20,000 in FY 00 and between \$2,500 and \$10,000 in FY 01.

Federal guidelines require child support guidelines to be reviewed every four years. A 66 percent federal match is available for expenses incurred for this purpose.
